Website Portfolio

A driven, positive, and self-motivated professional. Connecting with individuals and creating a high-performing culture is a priority. I use innovation and lateral thinking to meet the company's needs. I have a collaborative style and as such work well with teams

EXPERIENCE

Nov 2021 – Present
Busymed Ltd
Software Developer
● In 2 weeks, designed and developed an internal client-business system using Flutter, Restful APIs now used across all clients

● Implemented modern app features including map functionality, device internet changes and more.

● Working as part of a small team to continuously build and maintain a key component software of the company using Flutter and relevant tech stacks.

Sep 2021 - Nov 2021
Shiftr
Flutter Developer
Worked as an intern to build new features and update obsolete code base

Feb 2019 – Mar 2021
Socius Ltd
Data Research Associate
● Led a team of 2 in successfully capturing and archiving a client company's history of over 21 years into a database, and reignited connections with past clients through the database.

● Worked closely with the development team in testing and troubleshooting new client software as well as communicating customer needs/issues
